MPSA2023-0014 Expression of Interest for “Existing Landfill Closure and Construction of New Sanitary Landfill at La Pintada”

1. Introduction

Cobre Panamá is an open-pit copper mining operation located approximately 120 kilometres west of Panama City and approximately 20 kilometres in straight line from the Caribbean Sea coast, in the district of Donoso, Colon province, in the Republic of Panamá.

Cobre Panama is operated by Minera Panama S. A. (“MPSA” or “the Company”), a subsidiary of First Quantum Minerals Ltd. and commenced production in 2019, with an expected operating life of 37 years.

Access to the Cobre Panama mining operation is via the Pan-American Highway, from Panama City to Penonome, then through Llano Grande and Coclesito. The topography in the concession area is low elevation (less than 300 metres above sea level), but rugged with and covered by tropical rainforest. Roads within the project area are not paved, they are either improved with coarse rock or unimproved. Climatic conditions are tropical with high levels of precipitation, high humidity and relatively high temperatures of 25°C to 30°C year-round.

Through the website www.first-quantum.com and www.cobrepanama.com you can access all the information and maps of the Cobre Panama site.

Cobre Panamá is currently receiving Expressions of Interest for the next tendering process: **EXISTING LANDFILL CLOSURE AND CONSTRUCTION OF NEW SANITARY LANDFILL AT LA PINTADA**

2. Purpose

The purpose of this Expression of Interest process is to identify a shortlist of bidders or proposers, which must have the ability to demonstrate that they meet the requirements, experience and capability to meet the operational of Cobre Panama, in relation to the provision of **EXISTING LANDFILL CLOSURE AND CONSTRUCTION OF NEW SANITARY LANDFILL AT LA PINTADA**.

We wish to clarify that this call for “Expression of interest” does not constitute a call for Bids or Request for Proposal. The EOI is an initial phase whose purpose is to identify suppliers interested in participating in the future bidding process for the **EXISTING LANDFILL CLOSURE AND CONSTRUCTION OF NEW SANITARY LANDFILL AT LA PINTADA**. These suppliers will be pre-qualified in accordance with the Company’s standards.

3. Expression of Interest Submission

Positive Expression of Interest will be accepted until **16:00 on 5-Jan-2023 (Panama Time)**. Interested companies must register their interest by means of a written communication, which must be sent through the email address of the MPSA Representative, attaching the requested documentation according to the details presented in Section 5 of this document.

4. MPSA Representative

All correspondence to be exchanged with the Company in connection with this process, including questions and clarifications, should be addressed exclusively to:

Mr. Fernando Merino and Ricardo Escala
Email: MPSATenders_Services@fqml.com

5. EOI Preparation and Documentation

In conjunction with its positive Expressions of Interest, companies must submit the following documents, which are mandatory:

- a) **Letter of Expression of Interest**, according to the form included in **Annex Two**.

MPSA2023-0014 Expression of Interest for “Existing Landfill Closure and Construction of New Sanitary Landfill at La Pintada”

- b) **Cover letter**, highlighting the company’s main capabilities in relation to the scope of the service defined in **Annex One**.
- c) **Relationship with Suppliers – Overview** form, according to the downloadable form, available at <https://www.cobrepanama.com/expresiones-de-interes>
- d) **Corporate Statement**, detailing its capability and experience in the provision of similar services object of this EOI, with particular attention to the content of this Expression of Interest and to the following subjects:
 - Define the top three contracts (with similar scope) you currently have, including customer name and contact, contract terms, average monthly billing amount, and scope of service details.
 - Specify the company’s organization and the supporting infrastructure for the provision of similar services (such as offices, workshops, equipment, systems, supply chain and sub-suppliers or contractors).
 - Detail the company’s current accreditations, certifications and licences.
- e) Audited **Financial Statements** for the last two years, preferably those for the years 2020 and 2021 or failing that, those for the years 2019 and 2020.
- f) Complete the **Labour Relations Questionnaire** and include document(s) to support your response as required, the form is detailed in **Annex Two**.
- g) Complete the **CONTRACTORS QUESTIONNAIRE - SAFETY**, and include document(s) to support your response as required, the form is detailed in **Annex Two**
- h) Submit a copy of the **Public Registry Certification** of the company and the identification document of the Legal Representative.

6. Definition and Notification of Bidders Short List

In accordance with the EOI Terms and Conditions, which are defined in Section 8 hereof, the Company, in its sole and absolute discretion, after a pre-qualification process, will define the Short List of Bidders that will be formally invited to submit their proposal during the tendering stage.

The pre-qualification process for the participating companies includes the following:

- a) Review and evaluation of the documentation submitted by the company, as defined in Section 5 of this document.
- b) Industrial Safety Audit: A representative of MPSA’s safety area will visit your facilities. The date of the visit will be scheduled and each company will be informed in due time. The audit will examine the following areas of interest:
 - Emergency Procedure
 - Leadership in safety management
 - Risk management
 - Occupational Health
 - Maintenance and inspection
 - Equipment standards
 - Environment

The Company will notify participating companies of the outcome of the Expression of Interest process on **January 20th, 2022**.

7. Key Dates

In the following table the Company presents the probable dates of **the future tendering process**, which are subject to change, at the Company’s discretion:

Description	Date
Start of tendering	January 31 st , 2023

MPSA2023-0014 Expression of Interest for “Existing Landfill Closure and Construction of New Sanitary Landfill at La Pintada”

Submission of bids	March 02nd, 2023
Award	April 30th, 2023
Start of Operations	June 17th, 2023

8. EOI Terms and Conditions

The EOI process will be subject to the following conditions:

- a) Expressions of Interest received after the EOI submission closing date, as defined in Section 3 if this document, will be considered late. A late Expression of Interest may be deemed valid or invalid at the sole and exclusive discretion of the Company.
- b) Minera Panama may, at its sole and exclusive discretion, select the list of bidders to be invited to participate in the tendering process for the **EXISTING LANDFILL CLOSURE AND CONSTRUCTION OF NEW SANITARY LANDFILL AT LA PINTADA**. Minera Panama is not obligated, nor is it required, to pre-select any or all of the bidders to the tender. Those suppliers selected will be notified in writing, as well as those that are not selected.
- c) Each participant acknowledges and agrees that:
 - i. This EOI is only a request for Expression of Interest and does not constitute, in any way, a commitment to purchase or hire or any other form of contractual or extra-contractual commitment for you or the potential supplier.
 - ii. Minera Panama is not obligated to call for bids.
 - iii. Minera Panama reserves the right to terminate this process at any time or for any reason by informing, in writing, all participants without further liability, risk or obligation of any kind.
- d) Minera Panama has no liability to any participant for any claim arising out of or in connections with any act or omission of Minera Panama in connection with part or all this EOI process.
- e) Minera Panama may amend or correct, at any time, and at its sole discretion, the requirements of this Expression of Interest prior to the closing time and date of this process. Any such addendum or correction shall be published as an exhibit and shall become a part of this document.
